  - Link to Project: [GitHub Repository](#)
- **Grocery Store** Nov 2024  
Tech Stack : React
  - Created an e-commerce grocery website for seamless shopping experience
  - With insights of Cart management, product filtering, and order placement
  - Enhanced user convenience through intuitive UI and fast performance
  - Link to Project: [GitHub Repository](#)

## CERTIFICATIONS

- Cloud Computing by NPTEL Nov 2024
- Development in Mern Stack by Cipher School July 2024

## CO-CURRICULAR ACTIVITIES

- Participated Smart India Hackathon | LPU Sep 2024
- Contributed to open-source projects Sep 2023

## ACHIEVEMENTS

- Solved 50+ question on Leetcode
- Solved 150+ question on GeeksforGeeks

## EDUCATION

- **Lovely Professional University** 2022 - Present  
Bachelor of Technology - Computer Science and Engineering  
Jalandhar, Punjab
  - CGPA: 7.05
- **Krishna Public School** 2022  
Intermediate  
Bhilai, Chhattisgarh
  - Percentage: 75%
- **Krishna Public School** 2020  
High School  
Bhilai, Chhattisgarh
  - Percentage: 83.2%
